

WELLBEATS™ GET FIT 3 WORKOUT PLAN

This plan is meant to help you bust a plateau, strive for peak performance, and get you in the best shape of your life. Utilizing both interval training (alternating high intensity with active recovery) and resistance training, these classes challenge you with every workout. We've included a Fit Test at the beginning and end of this plan to give you a starting benchmark and help you measure progress and results. Grab a friend and set a goal together!
